## Computer Headset

logitech®

### GREAT AUDIO DESIGNED FOR ALL DAY COMFORT

For business people who spend their day on the phone—and like to enjoy music in between calls. The Logitech® 960 is ready to use: just plug into a PC or Mac with the USB connector. Enjoy enhanced digital audio and a noise-cancelling mic that filters background activity for clearer conversations. The adjustable boom can be positioned for better voice capture and the left-side mic rotates out of the way when not in use. Convenient in-line controls make it easy to adjust volume up/down or mute, without disrupting the call or your workflow. The stylish over-the-head design features ultra-soft ear pads for a comfortable fit.
